Data Source:

www.kaggle.com

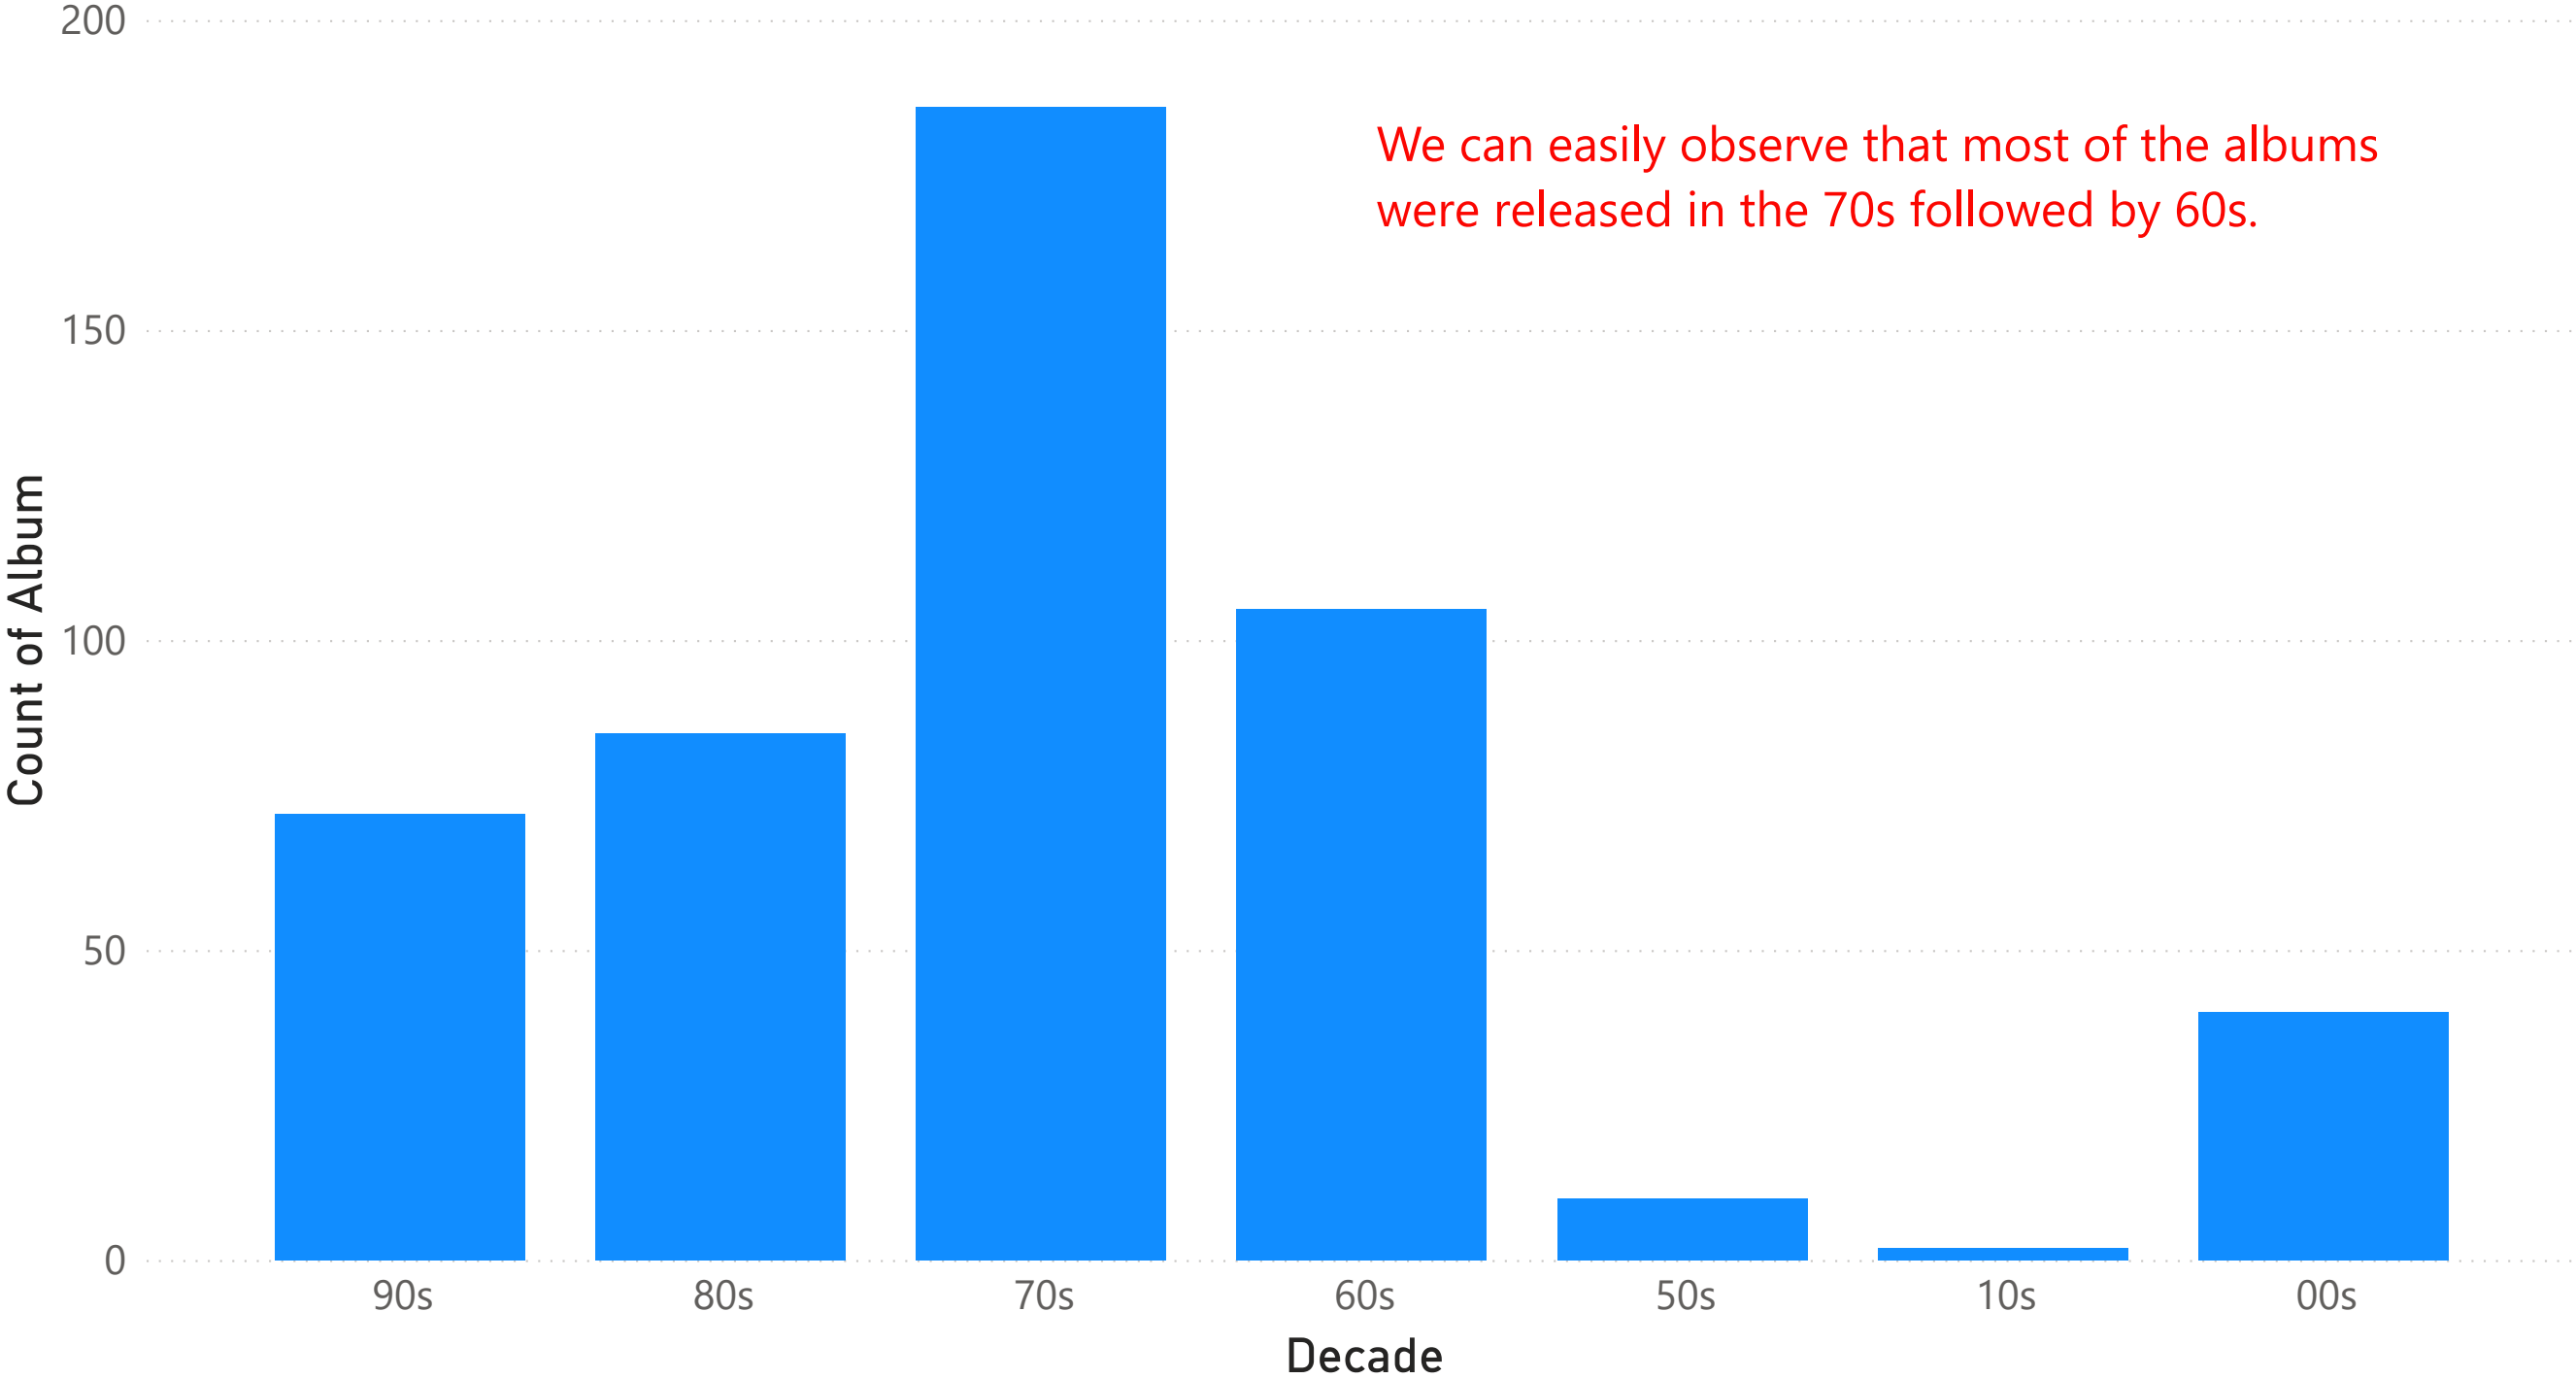

Bob Dylan
American Singer-Songwriter
(Artist of the Decades)

Count of Album by Year

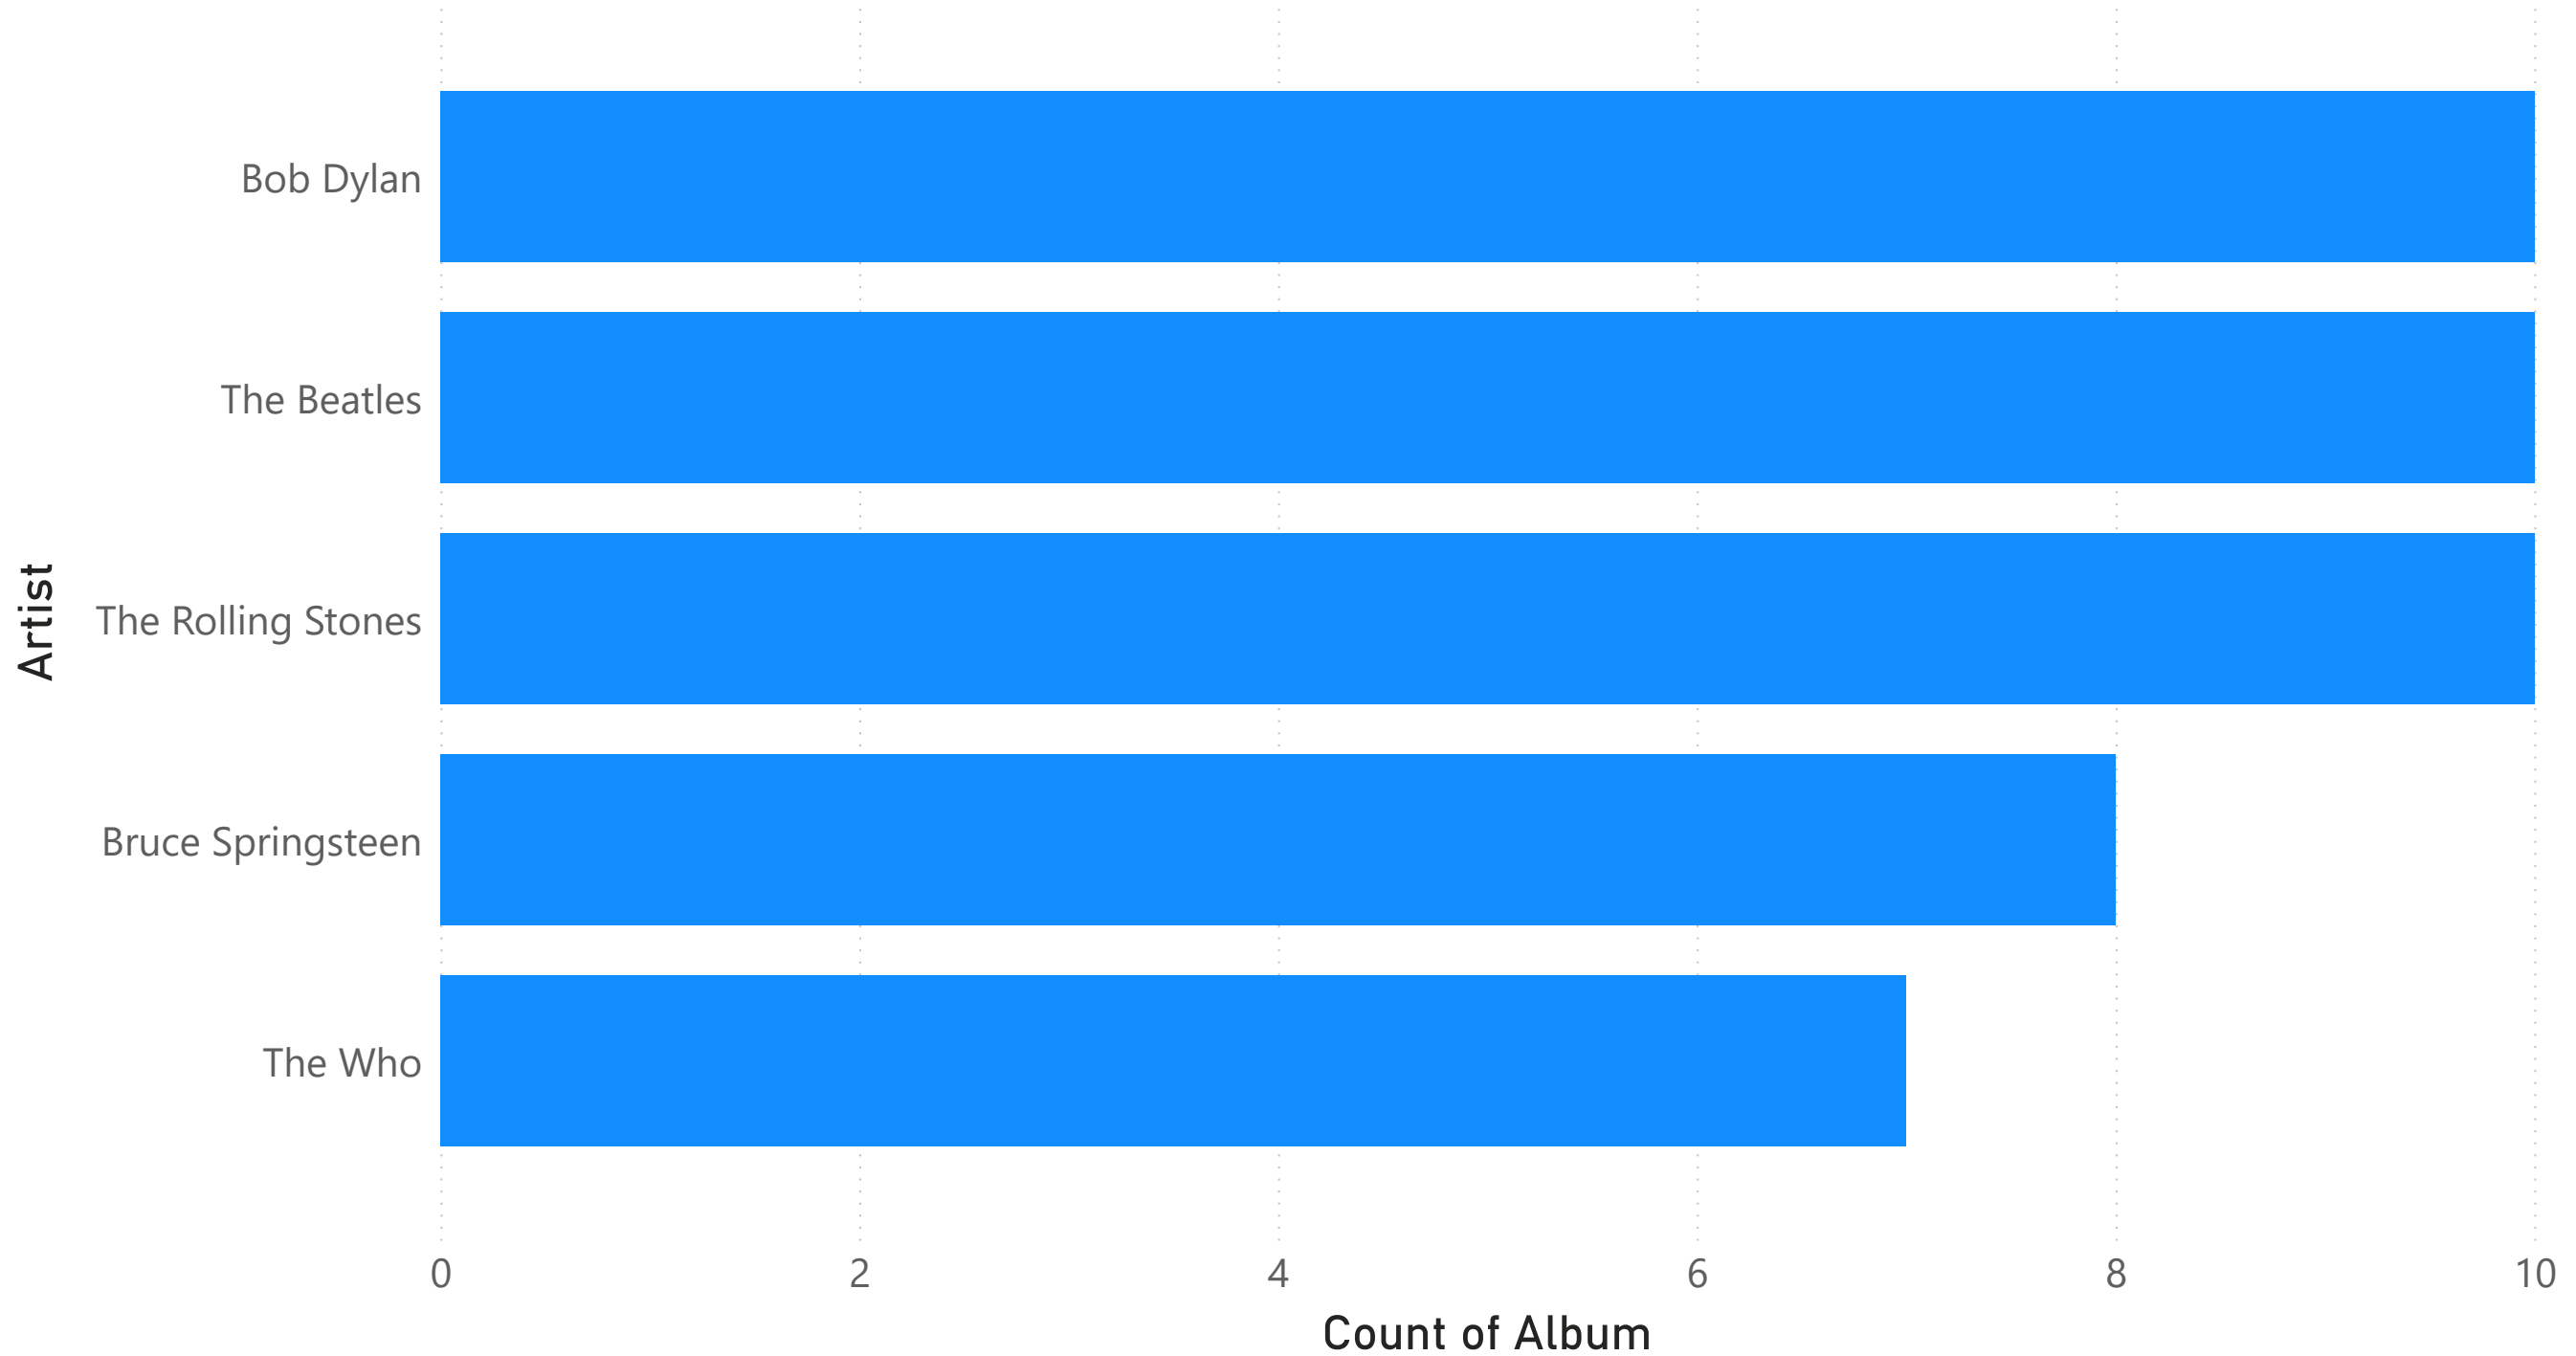

Count of Album by Decade

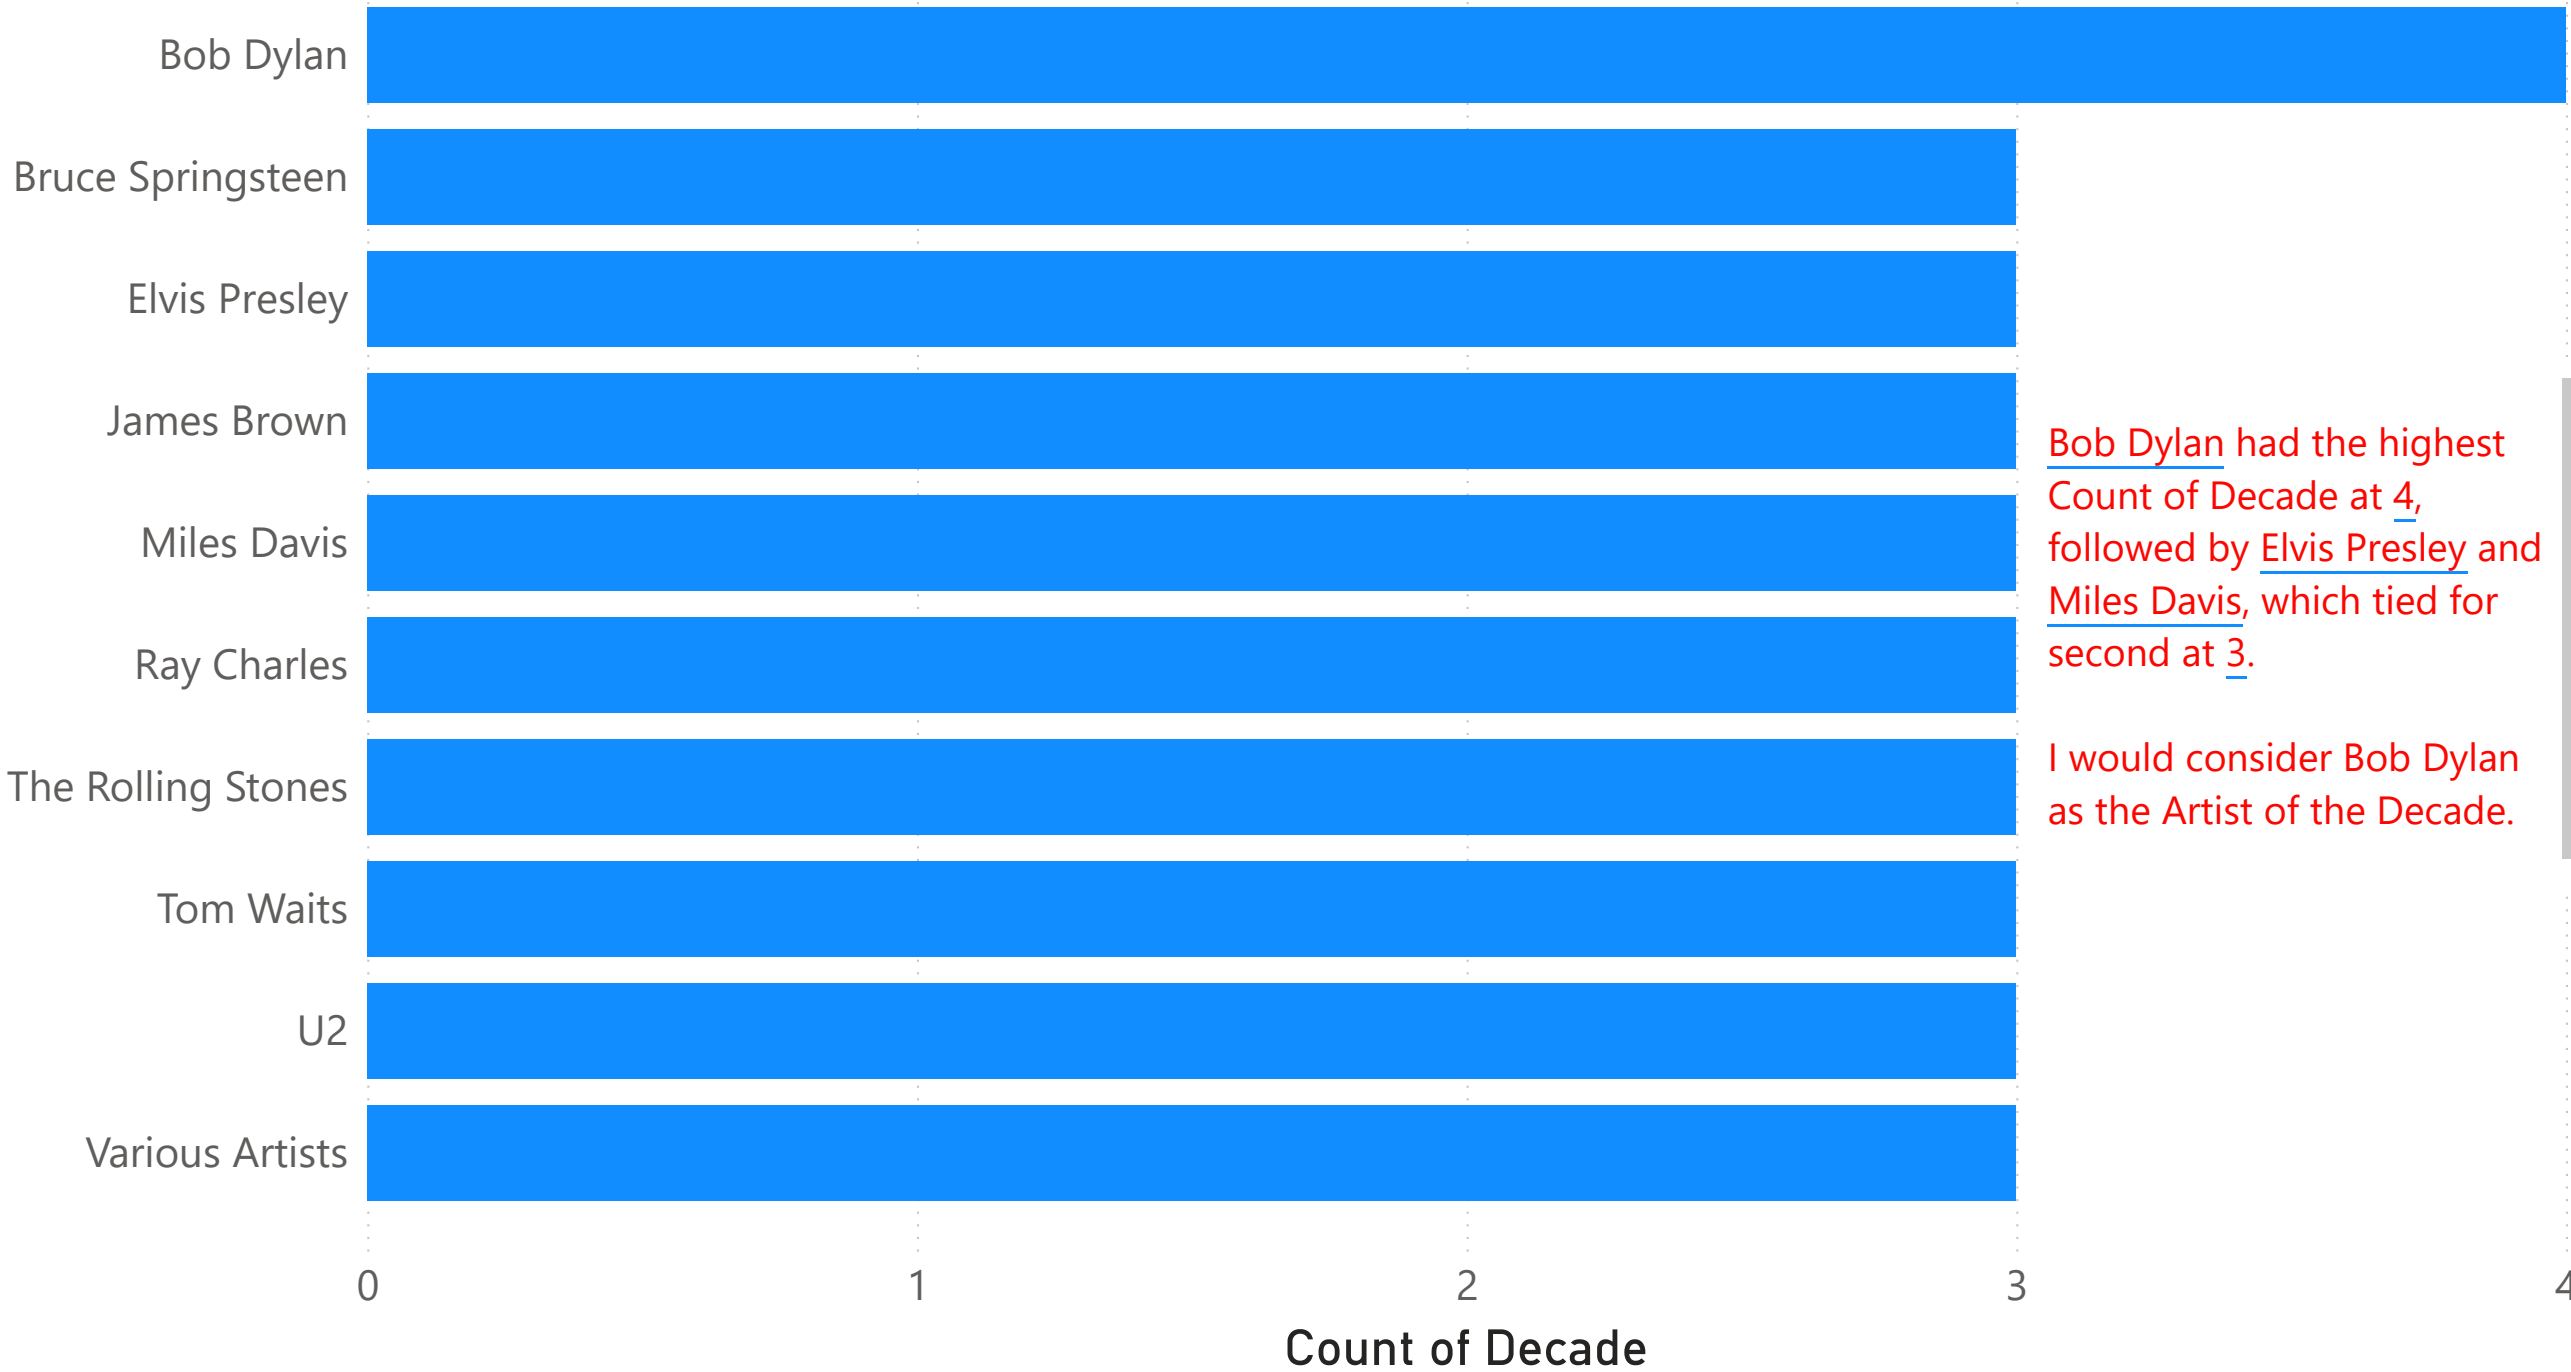

We can easily observe that most of the albums were released in the 70s followed by 60s.

Most Popular Artist

Artist of the Decade

Artist

Bob Dylan had the highest Count of Decade at 4, followed by Elvis Presley and Miles Davis, which tied for second at 3.

I would consider Bob Dylan as the Artist of the Decade.
